CHANGES

- The right to make changes to plans and specifications at any time whatsoever is expressly reserved to the builder without notice and/or consultation.
- Dimensions are approximate and may vary from plans.
- Dimension and location of any items including but not restricted to: electrical outlets, switches and fixtures, mechanical chases, ducts, bulkheads, dropped ceilings, etc. may vary; the right to make such variations at anytime whatsoever is expressly reserved to the builder without notice or consultation. Wood and material dimensions may be nominal.
- Variations in the colour and texture of both natural and man-made materials may be present at time of completion or may subsequently occur.
- Exterior materials and their colour and texture are selected by the Vendor.
- Existing on-site growth i.e. trees, bushes etc. are of course subject to construction operations, codes, health and landscaping considerations and City of Ottawa By-Laws. Consequently, no undertaking can be given that any or all natural growth remains in place. Landscaping will be completed as specified above.
